

Quality Policy

Automa Multi Styrene (Pty) Ltd, manufacturer of polystyrene products and tool making

Automa Multi Styrene (Pty) Ltd, manufacturer of polystyrene products and tool making, is committed and has been structured to comply with the requirements of ISO 9001 : 2015, relevant regulatory and statutory requirements, industry codes, standards and mutually agreed customer requirements.

The Company has identified objectives and targets that are managed to ensure the effectiveness and efficiency of the Quality Management System.

The Company will manage its processes in a responsible manner to ensure the quality of its products and services.

The Company is committed to providing the necessary resources, work environment and infrastructure for the development, implementation and maintenance of the Quality Management System and to ensure the policies are communicated, understood and applied to all levels of the organisation.

The Company will, through its efforts, ensure a process for continual improvement.
